▶ Be Certified

Il ghiaccio che dà sicurezza

Oltre alla marcatura CE, l'intera gamma dei nostri prodotti ha ottenuto l'approvazione TÜV Rheinland, che permette a ogni macchina di essere riconosciuta dagli organismi di certificazione internazionali.

Ice that gives you confidence

In addition to the CE mark, the full range of our products is certified by TÜV Rheinland, allowing our machines to be recognised by international certification bodies.

▶ Be Eco-active

Rispettiamo l'ambiente e chi lo vive

Vogliamo contribuire con le nostre scelte a un futuro più ecosostenibile, per questo progettiamo macchine "designed for the environment". L'ultima testimonianza è lo studio di nuovi gas. Dal 2003 abbiamo adottato un codice etico aziendale a garanzia di un comportamento ECO e rispettoso nei confronti del prossimo.

We respect the environment and those who live in it

We want to contribute with our choices to a more eco-sustainable future. Our machines are "designed for the environment". The latest proof is our work with new refrigeration gases. Since 2003 we follow a corporate Code of Ethics to ensure an Ecologically conscious behaviour and respect towards others.
